

Financial Policy for MassHealth

At Care Smile Dental, we accept Mass Health Standard (including Standard, Basic, Limited, Essential, Family, Prenatal and Commonhealth) for full range of services for anyone less than 21 years of age. In addition, we accept the above insurances for patients over the age of 21 for the covered services that we have signed with the insurance.

We also accept Commonwealth plans such as Network Health, Neighborhood Health and BMC Healthnet.

You must present your card on the first visit. Your insurance coverage will be checked on the day of each appointment. If, for any reason, there is a change in your insurance coverage, you will be notified and given the opportunity to cancel the appointment or to pay for your scheduled procedure.

All of the charges for your treatment will be forwarded to Mass Health for them to pay. If for any reason your treatment is rejected or is not paid within 60 days, you will be responsible for your balance with our office. Any remaining balance must be paid within 90 days of the actual treatment. You may contact Mass Health directly about a reimbursement.

I, _____, have read and fully understand the terms laid out in this agreement for the use of my Mass Health insurance. I agree to the terms herein.

Missed Appointment Policy

If you need to cancel your appointment, we ask that you do so at least 24 hours in advance. We charge a fee of \$50 for missed appointments and last minute cancellations. If three or more appointments are missed or canceled within the last minute we can no longer provide you with any dental service in our office seeing as no-shows are a problem for us since we can only see one patient at a time.
